Eine Kleine Consort is a select recorder ensemble comprised entirely of music teachers. The quartet has performed at schools and libraries throughout New England for over 20 years.

The Recorder Goes to School:

This is a school enrichment program designed specifically for beginning recorder students in grades 3 and 4. The program is participatory in nature and students are invited to play their recorders along with the ensemble on several selections. In addition, xylophones and assorted percussion instruments are used by the ensemble and the students. The program is 45 minutes long and is a wonderful way to stimulate your students' enthusiasm and commitment to the recorder!
